## Day 2

### Lacobriga

Following a delicious breakfast we continue our biking through the Algarve.

Just before our destination we'll be admiring (and cycling) along the Meia-Praia beach and reach the city of Lagos. Lagos origins dates as far as 2000 years BC when it was known as Lacobriga. And the older part of the city is still surrounded by the 16th century walls.

Night at Cascade Wellness & Lifestyle Resort Hotel

Stage: 58km

## Day 3

### Ocean views

The day begins cycling through the magnificent ocean views. We are heading for Sagres, the southernmost point in Portugal, where the Portuguese sailors learned how to sail the caravel in the XV Century and discovered new worlds.

Here you'll enter in the Southwest Alentejo and Costa Vicentina Natural Park. A genuine seventh heaven made up of almost only deserted beaches, cliffs and crags among exceptionally rich biodiversity and unique geological heritage. Among the 750 plants and 200 species of birds that have been identified throughout the area of the Natural Park, there are a few worth mentioning like the White Stork, Bonelli's Eagle, Peregrine Falcon or the felines such as the Fox or the Iberian Linx.

For the next two nights you'll be staying at Martinhal Sagres, a unique resort
